

# **DRAGON SWIM SCHOOL**

# **SUMMER**

Our program has 10 well-defined levels that are represented by “graduation stickers” to advance to the next level. This system allows us to reward the child’s efforts at every phase of their swimming progression and build their confidence and desire to progress. We are committed to teaching the proper stroke mechanics from level one. Our program coordinators will “graduate” your student at any time during the session as spot testing determines that they are ready for the next level. Your child will receive a certificate identifying their current skill level at the beginning of the session and are encouraged to bring their certificate each class each day to receive fun stickers and track their levels.

**Mom & Me:** Ages 6 months – 2 years must be accompanied by a guardian

The Mom & Me class promotes water adaptation and water safety. The parent will learn the skills necessary to teach the child how to be safe through basic swimming skills with toys and games. Swim Diapers are required for children that are not yet potty trained.

**Beginner:** Levels 1-4 working on safety, comfort, and movement

**Intermediate:** Levels 5-8 working on proper breathing and stroke development

**Advanced:** Levels 8-10 working on stroke development and endurance

After the 1<sup>st</sup> hour, swim lessons spots will be open to all families. If you live outside of the CISD boundaries and register early, your payment will be refunded and you will be added to waiting list.

## **SWIM SCHOOL POLICIES**

We ask that parents leave the deck area during swim class. We find that children are far more attentive and willing to learning the new skills if parents are “out of sight, out of mind.” There is spectator seating located upstairs if you wish to observe the classes. Other children must not be in the deck area and must be supervised at all times.

No make-up classes are offered for scheduling issues or acute illness. In the case of extended illness or other medical issues, we will offer you a credit for the following session. Refunds are only afforded when we cancel and the student cannot be rescheduled to a time that is convenient.

Concurrent enrollment is not an option. All families must re-register for each session. No preference is given to those already in the class. We reserve the right to cancel or consolidate classes when minimum enrollment numbers are not achieved.
