

## CISD Aquatic Center Private Swim Lessons

Private lessons are available for all ages and skill levels. Private instruction, for some new swimmers (children and adults), is the best way to introduce them to the water and the sport of swimming. One on one instruction can help swimmers perfect a certain skill (starts, turns, strokes, etc). Tri-athletes or Masters level swimmers can obtain a critique of their stroke, helpful training tips, or race strategies.

A 30 minute private lesson can be held for one adult/child or a 30 minute semi-private lesson for two. Registration is available online.

### Online Registration Instructions

- 1) Website – [www.cisdaquatics.com](http://www.cisdaquatics.com)
- 2) From Home Page, select Swim Classes
- 3) Select Private Lessons link on left
