

DRAGON SWIM SCHOOL

Our program has 10 well-defined levels that represent “graduation points” to the next level in the system. This system allows us to reward the child’s efforts at every phase of their swimming progression and build their confidence and desire to learn. We are committed to teaching the proper stroke mechanics from the very beginning. Our program coordinators will “graduate” your student at any time in the lesson as spot testing determines that they are ready for the next level. Your child will receive a certificate showing the mastered skills completed at the end of the session.

For more information visit our website: www.cisdaguatics.com.

Click on Swim Classes - Registration

Registration availability dates will be posted online before each session.

SWIM SCHOOL POLICIES

We ask that parents leave the deck area during swim class. We find that children are far more attentive and susceptible to learning the new skills if parents are “out of sight, out of mind.” There is spectator seating located upstairs if you wish to observe the classes. Other children must not be in the deck area and must be supervised at all times.

No make up classes are offered. Space is held with payment only. Concurrent enrollment is not insured without payment and registration is based on space availability only. We reserve the right to cancel or consolidate classes when minimum enrollment numbers are not achieved.

Refunds are only afforded when we cancel and the student cannot be rescheduled to a time that is convenient. We offer credit letters which may be applied to future sessions in cases of extended illness or injury.
